

28TH ANNUAL PEDIATRIC HEMATOLOGY ONCOLOGY CONFERENCE

Pediatric Neuro-Oncology Workshop

Date: 28th November, 2025

Venue: Luminaire Hall, Fortune Valley View

Time: 8:30AM – 6:00PM

"Grey Matter Matters: Solving Together the Puzzles of Pediatric Brain Tumors"

Core Topics

- ◆ Medullo Mysteries: Mastering the Monster
- ◆ Ependymoma Unplugged: Tales from the Ventricles
- ◆ Germ Cell Tumors – The Marker Makers
- ◆ Lazy or Lethal: The Glioma Saga

Target Audience

Pediatric Oncologists

Neurosurgeons

Radiation Oncologists

Neurologists

Neuropathologists

Neuroradiologists

Workshop Highlights

- ▶ Interactive case-based discussions on treating pediatric brain tumors
- ▶ Understanding basic pathology and radiology relevant to pediatric brain tumors
- ▶ Insights from leading national and international faculty
- ▶ Meet the Expert session

Organized by

Dr. Vasudeva Bhat K
Kasturba Medical College,
Manipal

Dr. Aarthi N
Sri Shankara Cancer Hospital &
Research Centre, Bengaluru

Dr. Somdipa Pal
St. John's Medical College,
Bengaluru
